

REQUEST FOR ADDITIONAL LANDSCAPING

An Request/Agreement form is required to be signed *prior* to the installation of additional landscaping. If you have a desire to plant additional trees or shrubs, please indicate which type of tree or shrub and its location on the Request/Agreement form and the Association Board will consider your request and respond as soon as possible.

It is the homeowner's responsibility to assume all liabilities for the landscaping they install. The association will not provide care or maintenance of the landscaping for the first three years after installation.

Prior to digging, please contact Gopher State One Call at 612-454-0002 to avoid contact with underground utilities.

If you have additional questions regarding landscaping, please call Bullseye Properties at 763-295-6566.
